

## Encinitas Garden Festival Fund

The mission of the Encinitas Garden Festival is to promote community gardening and the city's horticultural heritage. In 2007, the organizers of the event established this charitable fund with the Coastal Community Foundation. The fund has granted resources to the Encinitas Library to purchase gardening books, supported school-based gardens and projects in public spaces.

Donations can be made to the Encinitas Garden Festival Fund at any time. Contributions are tax-deductible. Your gift today will provide support for educational and community projects over time.

The Coastal Community Foundation, a 501(c) organization, was founded in 1987 as a resource for the North Coastal communities, including Carmel Valley, Del Mar, Solana Beach, Encinitas, La Costa, Carlsbad and Oceanside.

*The mission of Coastal Community Foundation is to enhance the quality of life in the San Diego North Coastal area by directing philanthropic efforts toward community needs.*
